Nominations for club officers took place at the November club meeting. The nominations were President Eddie Tipton, Vice President Bill Graves, Treasurer John Richards, and Secretary Gerry Tipton. Elections were to take place at the December meeting & Christmas dinner but due to Eddie's passing were not held. Richard Smith and Bill Graves Co-Lead the club for the Christmas meeting and the other club officers stepped up in their roles.

While no one will be able to truly replace Eddie Tipton we will need to discuss formal nominations and elections at the January Meeting. I also believe club membership dues are due.

Because the dates for using the Carey Park shelter house didn't work out, the hot rod and hot dogs get together has been postponed until next spring (probably in May 2017).

Be looking for a place for having our club meetings in February (The Barn, Sirlain Stockade, Plaza Grill, Anchor inn, Polo Club, Olivers, Pizza Ranch etc.) We need to decide at the January meeting if we should stay and Plaza Grill or try another place. Plaza grill won by 2 votes during the November meeting at the Barn.

The car show season is over at least for this year. Eddie wanted us to discuss that in the past the club used to pick a few car shows where we all meet and travel together. We would have 15 – 20 cars & have a great time (Inman used to be one). I think this is a great idea since one of my first club related functions was Inman and many of the members were there, and made me feel welcome.

We are still looking for ideas to keep our club vital, exciting, & fun. I want our club to be the club that car buffs want to join. At one time we had over 100 members. Let's work on it. OK??

## Past Events

Call Bill & tell him what you are doing (620 960-0235). I have missed many shows attended by you guys. If you attend a show, you need to let me know, so I can include it in the newsletter. We want to include everyone who attends a show or event. I'll put any ones I missed in the next newsletter.

The trip to the Pratt Education Center & Aquarium, Saturday, October 29, was a great trip and attended by several members (I am going from my memory only so if I left you out it was not on purpose) Don Jordon, Marsha Hanavan, Jim & Thelma Chancellor, Richard & Betty Greever, Larry and Dee Rayl, Bill & Bob Graves the drive was easy and beautiful, plus no one broke down. We traveled to Buster's in Sun City for lunch then went to the museum in Pratt.

Bill Graves, Stan Diehl, Kevin Dreiling, Jim Chancelor, and some non members had been having a weekly meet up of car people on Main Street on Thursdays. We have been calling it the Renegade Outlaw Cruise-in and Shine. Stan has offered to host this hang out on Thursday nights at his shop since the weather is cold now, but we have not formally made plans.
